

DONCEAP NEWSLETTER – BRIDGING THE GAP – TIPS TO MANAGE A MULTI-GENERATIONAL WORKFORCE

AUDIENCE: CIV / MIL / CSS

The DON Civilian Employee Assistance Program (DONCEAP) campaign theme for this quarter is "Bridging the Gap - Tips to Manage a Multi-Generational Workforce". The DONCEAP Newsletter provides readers with descriptions and details of the four different generations that comprise the NAVAIR workforce. The latest edition of the newsletter is available at the following link:

There are two webinars available this month in support of this quarter's campaign, both webinar title and descriptions are as follows:

- Title: The Generation Juggle
- Description: There are four diverse generations working side-by-side in today's workplace, each with its own viewpoints, values, and styles. You are invited to join the DONCEAP's live interactive webinar that can help you communicate with all co-workers, regardless of age. We will identify generational differences, work to eliminate old stereotypes, and learn how to custom-fit your communication style to address the challenges of common generational differences.
